

Award Criteria and Information

Application to be completed on-line

Purpose: To recognize leaders in Conservative Care. Candidates may be recognized for either having an impact on their patient's experience through implementation of change or their contributions of team-based education to patients, the public, and practitioners.

Objective: To provide the opportunity of exploring ways in which we all can share knowledge and excel in the patient experience.

Criteria: The candidate must:

1. Be a current Fulcrum Health network member in good standing.
2. Has a demonstrated history of excellence in patient care.
3. Has demonstrated excellence within their specialty.
4. Must agree to use of clinic name and providers mentioned online and/or print.

Award recipients are determined through the review of applications by the Fulcrum Health awards selection committee.

Award: The recipient(s) will be recognized at the Fulcrum Health Symposium on October 27th.
